---

A public workshop to discuss the Valley Springs Community Plan will be held Thursday. The meeting will focus on area population, and boundary choices.

Valley Springs Community Plan consultants will hold the workshop to present future growth projections, what it means to be in a community plan, community plan components and boundary alternatives for the public to discuss and select.

The meeting will be held from 6 to 8:30 p.m. in the Valley Springs Elementary School Multipurpose Room, 240 Pine St. Refreshments will be provided.

For more information call Tyler Summerset at 754-2094.
