

Room for other churches, non-profits on Welcome to Valley Springs sign

The Valley Springs News, Friday, April 11, 2014

Members of the Tri-Dam Lions Club and the Rotary Club of West Calaveras gathered last week to install the Lions' emblem on the State Route 26 Welcome to Valley Springs sign.

The "Welcome to Valley Springs" sign off State Route 26 near the intersection at Vista Del Lago Drive is beginning to take shape as emblems from the community's churches and non-profit organizations are being installed.

Members of the Tri-Dam Lions Club and the Rotary Club of Valley Springs gathered last week to place the Lions medallion on the welcome sign, a recent Rotary Club community service project.

Within the next few weeks, emblems from the Valley Springs Area Business Association, The Resource Connection, Stone Corral Community Church, the Society for the Preservation of West Calaveras History, Foothill Classis Car Club, Calaveras Consolidated Fire Protection District, United Community Methodist Church and Campo Seco Lodge No. 66 of the Independent Order of Odd Fellow will appear on the new welcome sign.

It's not too late for other churches and non-profit organizations to participate. For more information, call Nick Baptista at 772-2234.
