

Let's Talk About...

why community plans matter.

Monday, May 12, 2014 | 2:00-4:00 p.m.
San Andreas Library | Chesebrough Room
Light refreshments | Free admission

"The county needs to honor its word to include community plans that have been completed prior to the initiation of the (General Plan) EIR. And I strongly believe... that since it is the communities where development happens, it is the communities that should drive the General Plan."

— Mickey Williamson
Calaveras Enterprise
February 7, 2014

In August 2007, the Board of Supervisors invited community groups to create visions and plans unique to their locales. Now, 7 years later, there is some doubt about including Community Plans in the General Plan Update. **Come find out what's next for our community plans.**

Featuring:

Fawn McLaughlin, District 2 Planning Commissioner and member of the Mokelumne Hill Planning Group

Jim Kavanaugh, member of Citizens for San Andreas, who worked on both the San Andreas Community and Mobility Plans

Joyce Techel, president of MyValleySprings.com, which helped create a grant funded Community Plan for Valley Springs with citizen support and participation

Tom Infusino, Calaveras Planning Coalition Facilitator and land use attorney
