

# Bids sought for Cosgrove Creek work

**Published in The Valley Springs News / August 7, 2024**

Calaveras County is soliciting proposals from qualified service providers for grazing services to conduct vegetation management of flood-prone Cosgrove Creek in Valley Springs.

The Request for Proposal process will be used by the county to select a firm to enter into a Professional Services Agreement with the county.

The service provider shall furnish all labor, material, equipment and service necessary to provide livestock grazing services. The service provider will supply, utilize and care for a goat herd of adequate size to achieve the seasonal goal to reduce vegetation to an approximate height of four inches, including shrubbery and brush, as feasible.

The project begins north of Gold Creek Estates, terminates at Silver Rapids Road, and is divided in three sections:

1. Gold Creek Estates to St. Andrews Road (8.5 acres adjacent to SR 26)
2. La Contenta Golf Course (2.25 acres, traverses the golf course and drainage behind driving range)
3. Vista Del Lago Drive to Silver Rapids Road (9.87 acres, residential area abutting property fencing).

Businesses need to respond to the request for proposals by no later than 3 p.m. Wednesday, Aug. 21, 2024, through Public Purchase website at

<http://www.publicpurchase.com/gems/calaverasco%2Cca/buyer/public/home> .

All questions related to this RFP must be submitted through Public Purchase. The deadline for questions is Wednesday, Aug. 14, 2024. The professional services agreement is tentatively scheduled to be awarded on Sept. 24, 2024.
